Projects:

1. E-commerce Website

Implemented product search, real-time cart updates, and a smooth checkout process. Focused on a user-friendly interface and optimized backend for seamless functionality. Applied responsive design principles to ensure usability on all devices.

- **Technology Stack:** React Js, Tailwind CSS, Node JS, Mongo DB.

2. College Navigator:

Designed and developed a website to assist students in finding colleges based on their CET, NEET, and JEE scores, along with cutoff data. Integrated a responsive design for desktop and mobile viewing.

- **Technology Stack:** HTML, CSS, JavaScript, Bootstrap.

3. Personal AI Assistant:

Created a personal AI assistant and enabled functionalities like text-to-speech and basic QA. Designed a user-friendly interface for smooth interaction. Ensuring compatibility across multiple browsers.

- **Technology Stack:** HTML, CSS, JavaScript, Web API.

Work Experience / Internships:

- **Web Developer Intern, Cloud Counselage Pvt. Ltd.** June 24-Sept 24
Gained hands-on experience working on live projects, enhancing technical and problem-solving skills.
Developed a strong understanding of project documentation processes, refining strengths and addressing areas for improvement.
- **Web Developer Intern, InternPe** Jan 25-Feb 25
Completed industry-relevant tasks, strengthening my technical expertise.
Gained practical experience in web development, improving coding skills, project execution, and documentation processes.

Technologies Used:

- **Languages:** C, C++, Java, Javascript
- **Frontend Technologies:** HTML, CSS, React JS
- **Styling Frameworks:** Bootstrap, Tailwind CSS
- **Databases:** MySQL, MongoDB
- **Version Control:** Git, Github

Position of Responsibility:

- **Cultural Event Coordinator, Sandipostav:** Developed strong leadership, teamwork, and event management skills while organizing and coordinating cultural events.
- **Cultural Coordinator, CESA 2024:** Successfully planned and managed events, enhancing organizational abilities, leadership qualities, and problem-solving skills.

Education:

Pursuing Computer Engineering: Sandip Institute of Technology and Research Center, Nashik
8.43 SGPA

Nov 2024
