## EDUCATION

### Sandip Institute of Technology and Research Center

Nashik, India

Bachelor of Engineering in Computer Engineering

Nov. 2022 – May 2026

Current SGPA: 8.98/10.0

## EXPERIENCE

### Web Developer Intern

Jan. 2025 – Feb. 2025

*InternPe*

Remote

- Executed development tasks aligned with industry standards and collaborated on team-based web projects
- Refined UI elements for better responsiveness and improved version control practices
- Enhanced code documentation and implemented best practices for maintainable codebases
- Collaborated with cross-functional teams to deliver high-quality web solutions

### Web Developer Intern

June 2024 – Sept. 2024

*Cloud Counselage Pvt. Ltd.*

Remote

- Worked on live client-facing web solutions, gaining practical exposure to real-world problem-solving
- Boosted website performance by 25% by optimizing loading speed and streamlining DOM structure
- Eliminated redundant code and implemented performance optimization techniques
- Collaborated with development teams to deliver scalable web applications

## PROJECTS

### HealthCare+ Full-Stack Platform | React, TypeScript, Node.js, MongoDB, JWT

2025

- Engineered a production-grade telemedicine and healthcare management system enabling seamless interactions between patients, doctors, and administrators
- Implemented real-time consultations, messaging, and appointment coordination with secure JWT-based authentication
- Developed comprehensive dashboards for patient record management and administrative functions
- Built responsive frontend using React Vite, TypeScript, and Tailwind CSS with Node.js/Express.js backend

### Real-Time Chat Application (MyChat) | React.js, Node.js, MongoDB, Socket.IO

2024

- Built a real-time communication platform supporting instant exchange of text, images, and videos
- Employed Socket.IO for low-latency messaging and Multer for secure media uploads
- Ensured scalability and responsiveness across devices with clean, intuitive user interface
- Implemented secure file handling and optimized database queries for improved performance

## TECHNICAL SKILLS

**Languages:** Java, JavaScript, C, C++, HTML/CSS, SQL

**Frameworks:** React.js, Node.js, Express.js, Bootstrap, Tailwind CSS

**Developer Tools:** Git, GitHub, VS Code, MongoDB Compass, Postman

**Databases:** MongoDB, MySQL

**Libraries:** Socket.IO, Mongoose, JWT, Multer, React Router

## LEADERSHIP & ACTIVITIES

### Cultural Event Coordinator

2024

*Sandipostav, College Cultural Program*

Nashik, India

- Led planning and execution of college-wide cultural program, developing leadership and time management skills
- Coordinated with multiple teams and managed event logistics for 500+ participants

### Cultural Coordinator

2024

*CESA (Computer Engineering Students Association)*

Nashik, India

- Managed inter-departmental events and improved student engagement by 30%
- Strengthened event planning, public speaking, and problem-solving capabilities
